3.2 Voting Rights. The Association shall have one class of membership and each member shall have one vote for each Lot such member owns, provided that in no event shall more than one (1) vote be cast with respect to any one (1) Lot. If more than one (1) person is the record owner of any Lot, or if an Owner is a trustee, corporation, partnership or other legal entity, the vote for such Lot shall be exercised as such Owner or Owners of that Lot shall designate. Such designation shall be made in writing to the Board or in such other manner as may be provided in the By-Laws.

3.3 Board of Directors. The Association shall be governed by a Board of Directors comprised of five (5) persons, or such greater number as may be determined by Board resolution. The Directors and Officers of the Association shall not be liable to the Owners or others for any mistake of judgment or any acts or omissions made in good faith as such Directors or Officers.

3.5 Director and Officer Liability. Neither the Directors nor the Officers of the Association shall be personally liable to the Owners or the Association for any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors or officers, except for any acts or omissions found by a court to constitute fraud. The Association shall indemnify and hold harmless the Directors and Officers, their heirs and legal representatives against all contractual and other liabilities to others arising out of contracts made by or other acts of the Directors and Officers on behalf of the Owners or the Association or arising out of their status as Directors or Officers unless any such contact or such act shall have been made fraudulently. Such insurance coverage shall include cross-liability claims of one or more insured parties against other insured parties. The premiums for such insurance shall be common expenses payable out of the proceeds of the Assessments required by and collected in accordance with Article 5. The Association shall be further responsible for maintaining such policies of insurance for the Common Area against loss or damage by fire and such other hazards contained in the customary fire and extended coverage, vandalism and malicious mischief endorsements as the Association may deem desirable and may also obtain such other kinds of insurance as the Association shall from time to time deem prudent. The coverage shall contain an endorsement to the effect that said coverage shall not be terminated for non-payment of premiums without at least 30 days prior written notice for the Association. The Insurance policies shall contain waivers of subrogation with respect to the Board, its employees, agents, owners and mortgagees.

3.8 Fidelity Insurance. The Association shall obtain and maintain fidelity insurance covering persons who control or disburse funds of the Association for the maximum amount of coverage that is commercially available or reasonably required to protect funds in the custody or control of the Association. All management companies which are responsible for the funds held

or administered by the Association shall maintain and furnish to the Association a fidelity bond for the maximum amount of coverage that is commercially available or reasonably required to protect funds in the custody of the management company at any time. The Association shall bear the cost of the fidelity insurance and fidelity bond, unless otherwise provided by contract between the Association and a management company. A management company holding reserve funds of the Association shall at all times maintain a separate account for each association, unless by contract the Board of the Association authorizes a management company to maintain Association reserves in a single account with other associations for investment purposes. With the consent of the Board, the management company may hold all operating funds of associations which it manages in a single operating account, but shall at all times maintain records identifying all moneys of each association in such operating account. Such operating and reserve funds held by the management company for the Association shall not be subject to attachment by any creditor of the management company. A management company that provides common interest community association management services for more than one common interest community association shall maintain separate, segregated accounts for each common interest community association. The funds shall not, in any event, be commingled with funds of the management company, the firm of the management company, or any other common interest community association. The maintenance of these accounts shall be custodial, and the accounts shall be in the name of the respective common interest community association.

ARTICLE 4

- a. The right of the Association, in accordance with its By-Laws, to adopt rules and regulations governing the use, operation and maintenance of the Common Area.
- b. The right of the Association, in accordance with its By-Laws, to borrow money for the purpose of improving the Common Area. Notwithstanding the

Every Owner is also hereby granted an easement of ingress and egress over and upon the Common Area and any other Lot for any and all purposes arising out of the construction, installation, repair, maintenance, replacement and inspection of utilities servicing such Owner's Lot.

4.4 Encroachments. In the event that (a) by reason of settlement, shifting or movement, any dwelling, garage or other improvement as originally constructed on any Lot or upon the Common Area overhangs or otherwise encroaches or shall hereafter encroach upon any other Lot or upon the Common Area, or (b) by reason of such settlement, shifting or movement it shall be necessary or advantageous to an Owner to use or occupy any portion of the Common Area for any reasonable use appurtenant thereto which Lake not unreasonably interfere with the use or enjoyment of the Common Area by other Owners, or (c) by reason of settlement, shifting or movement of utility, ventilation and exhaust systems, as originally constructed, any mains, pipes,

ducts or conduits servicing any Lot or more than one Lot, encroach or shall hereafter encroach upon any part of any Lot or: the Common Area, then, in any such case, valid easements for the maintenance of such encroachment and for such use of the Common Area, together with the right to enter upon such other Lot or Common Area to maintain, repair and replace such other Lot or Common Area to maintain, repair and replace such encroachment, are hereby established and shall exist for the benefit of such Lot or the Common Area, as the case may be, so long as such dwelling, garage or other improvement shall remain standing, provided, however, that if any such dwelling, garage or other improvement is partially or totally destroyed and thereafter repaired or rebuilt, the same encroachment may be re-established and the easements herein granted for the maintenance, repair and replacement thereof shall continue in force; provided further that in no event shall a valid easement for any encroachment or use in the Common Area be created in favor of any Owner if such encroachment or use was created by the intentional, willful or negligent conduct of any Owner or that of his agent.

4.5 Conservancy Lots/Conservancy Easements. Certain Lots located within the Property shall be conservancy lots (“Conservancy Lots”) as indicated on the Plat of Subdivision, which shall contain a conservation easement (“Conservation Easement”) for the rear ten feet (10') to twenty feet (20') inward from the rear property lines of such Conservancy lots. The Conservancy Lots shall be subject to planting restrictions as set forth below. The Association and Owners who own any of the Conservancy Lots as shown on the Plat of Subdivision shall comply with the following restrictions as requested by the Village of Antioch, Illinois (“Village”) and the Illinois Department of National Resources (“IDNR”):

An easement is hereby declared, reserved and created over and upon the Common Area for the benefit of the Association, and the Association shall have the right and easement of access to and of ingress and egress on, over, across, in, upon and to the Common Area for the purposes of maintaining the Common Area.

4.7 Watering Costs. The Association, its designees, successors and assigns reserves the right to attach hoses and other water sprinkling devices to and obtain water from water faucets located on the outside of any Lot improvement in order to assist in carrying out their duties and responsibilities as provided for herein. If said water faucets are “metered” to a particular Lot, the Owner of, said Lot shall promptly be reimbursed by the Association as to said costs incurred. The method of implementation in the amount of said reimbursement shall be decided by the Board based upon estimated water use at current water rates, and the Owners whose water is to be used will be notified by the Board prior to the beginning of each landscaping season.

4.8 Easements Run with the Land. All easements and rights described herein are easements appurtenant, running with the land, perpetually in full force and effect, and at all times shall inure to the benefit of and binding upon any owner, purchaser, mortgagee or to the person having an interest in the Property, or any part or portion thereof. Reference in the respective deeds of conveyance or in any mortgage or trust deed or other evidence of obligation to the easements and rights described in this Article or in any other part of this Declaration shall be sufficient to create and reserve such easements as fully and completely as though such easements and rights were recited fully and set forth in their entirety in such documents.

ARTICLE 5

COVENANT FOR ASSESSMENTS

5.1 Creation of the Lien and Personal Obligation for Assessments. Each Owner of a Lot, by acceptance of a Deed therefor, whether or not it shall be so expressed in any such deed or other covenants, hereby covenants and agrees and shall be deemed to covenant and agree to pay to the Association, for each Lot owned by such Owner, all assessments and charges levied pursuant to this Declaration. Such assessments, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge and a continuing lien upon the Lot against which

such assessment is made. Each such assessment, together with such interest and costs, shall also be the continuing personal obligation of the person who was the Owner of such Lot at the time when such assessment fell due.

5.2 Purpose of Assessments. The Assessments levied by the Association shall be used for the purpose of promoting the recreation, health, safety and welfare of the Members of the Association and, in particular, without limiting the foregoing, for maintenance, repair, replacement, improvement and additions of and to the Common Area and the improvements thereon, for all taxes, insurance, utilities, professional and other services, materials, supplies, equipment and other costs and expenses incident to the ownership of the Common Area and all facilities and improvements thereon, for certain maintenance, and for otherwise carrying out the duties and obligations of the Board and of the Association as stated herein and in its Articles of Incorporation and By-Laws.

5.3 Assessment Procedure – Annual Assessments.

- a. Each year, on or before December 1, the Board shall prepare a budget for the Association for the ensuing twelve (12) months, which shall include estimated cash expenditures and reasonable amounts as a reserve for repairs to and replacement of the improvements on the Common Area, including but not limited to cost and expense relating to the repair, maintenance, and replacement of the Ponds provided for in the Stormwater Declaration, and for such other contingencies as the Board may deem proper, and shall, on or before December 15, notify each Owner in writing of the amount of such estimate, with reasonable itemization thereof. The budget shall also take into account the estimated net available cash income for the year, if any, that may be received by the Association. On or before the next January 1, following the preparation of the budget, and on the first day of each and every month for the next twelve (12) months, each Owner, jointly and severally, shall be personally liable for and obligated to pay to the Board or as it may direct, one-twelfth (1/12) of the assessment made pursuant to this paragraph. On or before May 1 of each year, the Board shall provide all Members with a reasonably detailed summary of the receipts, common expenses, and reserves for the preceding budget year. The Board shall (i) make available for review to all Members an itemized accounting of the common expenses for the preceding year actually incurred or

paid, together with an indication of which portions were for reserves, capital expenditures or repairs or payment of real estate taxes and with a tabulation of the amounts collected pursuant to the budget or assessment, and showing the net excess or deficit of income over expenditures plus reserves or (ii) provide a consolidated annual independent audit report of the financial status of all fund accounts within the Association. Any excess of income over the sum of expenses plus reserves may, at the discretion of the Board, be retained by the Association and shall be placed in a reserve account.

- b. If said annual assessments prove inadequate for any reason, including non-payment of any Owner's assessment, the Board may, subject to the limitations on the use of capital reserves in Paragraph 5.5, charge the deficiency against existing reserves, or levy a further assessment which shall be assessed equally against all Lots subject to assessment. The Board shall serve notice for such further assessment on all Owners by a statement in writing showing the amount due and reasons therefor, and such further assessment shall become effective with the monthly installment, which is due more than ten (10) days after delivery or mailing of such notice of further assessment. All Owners shall be personally liable for and obligated to pay their respective adjusted monthly assessment.
- c. If an adopted budget or any separate assessment adopted by the Board would result in the sum of all regular and separate assessments payable in the current fiscal year exceeding one hundred fifteen percent (115%) of the sum of all regular and separate assessments payable during the preceding fiscal year, the Association, upon written petition by Members with twenty percent (20%) of the votes of the Association delivered to the Board within fourteen (14) days of the Board action, shall call a meeting of the Members within thirty (30) days of the date of delivery of the petition to consider the budget or separate assessment; unless a majority of the total votes of the Members are cast at the meeting to reject the budget or separate assessment, it shall be deemed ratified.
- d. If total common expenses exceed the total amount of the approved and adopted budget, the Association shall disclose this variance to all its Members and

specifically identify the subsequent assessments needed to offset this variance in future budgets.

- e. Separate assessments for expenditures relating to emergencies or mandated by law may be adopted by the Board without being subject to Member approval or the provisions of subsection (c) or (f) of this Section. As used herein, "emergency" means a danger to or a compromise of the structural integrity of the common areas or any of the common facilities of the common interest community. "Emergency" also includes a danger to the life, health or safety of the membership.
- f. Assessments for additions and alterations to the common areas or to Association-owned property not included in the adopted annual budget, shall be separately assessed and are subject to approval of a simple majority of the total Members at a meeting called for that purpose.
- g. The Board may adopt separate assessments payable over more than one fiscal year. With respect to multi-year assessments not governed by subsections (e) and (f) of this Section, the entire amount of the multi-year assessment shall be deemed considered and authorized in the first fiscal year in which the assessment is approved.
- h. The failure or delay of the Board to prepare or serve the annual or adjusted estimate on any Owner shall not constitute a waiver or release in any manner of such Owner's obligation to pay the maintenance costs and necessary reserves, as herein provided. Whenever the same shall be determined, and in the absence of any annual estimate or adjusted estimate, the Owner shall continue to pay his monthly installment at the then-existing rate established for the previous period until the monthly installment which is due more than ten (10) days after such new annual or adjusted estimate shall have been mailed or delivered.
- i. Each Member shall receive through a prescribed delivery method, at least thirty (30) days but not more than sixty (60) days prior to the adoption thereof by the Board, a copy of the proposed annual budget together with an indication of which portions are intended for reserves, capital expenditures or repairs or payment of real estate taxes.

5.4 Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Board may levy special assessments for the purpose of defraying, in whole or in part, the cost of constructing or purchasing a specified capital Improvement upon or to the Common Area and for the necessary fixtures and Personal Property related thereto, provided that, unless otherwise provided in the By-Laws or this Declaration, any such assessments which in one (1) year exceed Twenty-Five Thousand and No/100 Dollars (\$25,000.00) for all Lots involved shall first be approved by a majority of the Board and thereafter by a majority of the votes cast by the Members present at a general or special meeting duly called for that purpose or, in lieu of such Member's meeting, by an instrument signed by the Members owning two-thirds (2/3) of the Lots. Special assessments levied hereunder shall be due and payable at such time or times and in such manner as shall be fixed by the Board or, where applicable, as approved by the members and shall be used only for the specific purpose for which such assessment was levied.

5.5 Capital Reserves. To the extent, the annual budget includes an amount specifically designated as a capital reserve, that proportion of each installment of the annual assessments paid to the Association as the amount so designated as a capital reserve bears to the total annual budget shall be segregated and maintained by the Association in a special capital reserve account to be used solely for making repairs and replacements to the Common Area and the improvements thereon which the Association is obligated to repair and replace in accordance with the provisions of this Declaration, and for the purchase of equipment to be used by the Association in connection with its duties hereunder.

5.6 Notice and Quorum. Written notice of any meeting called for the purpose of authorizing special assessments which require approval of the Members shall be sent to all Members not less than thirty (30) days nor more than sixty (60) days in advance of such meeting. Twenty percent (20%) of the membership shall constitute a quorum.

5.7 Uniform Assessments. Both annual and special assessments shall be fixed at a uniform rate for all Lots.

5.8 Collection of Assessments. Any installment of an assessment which is not paid when due shall be delinquent if said installment is not paid within thirty (30) days after the due date, the Board may, upon notice to such Owner of such delinquency, accelerate the maturity of all remaining installments due with respect to the current assessment year, and the total amount

shall become immediately due and payable and commence to bear interest from the date of acceleration at the maximum rate permitted by law. The Board may determine a monthly late charge for all delinquent assessments as determined in its sole and absolute discretion. The Association may bring an action against the Owner personally obligated to pay assessments and recover the same, including interest, costs and reasonable attorneys' fees for any such action, which shall be added to the amount of such assessment and included in any judgment rendered in any such action. To the extent permitted by any decision or any statute or law now or hereafter effective, the amount of any delinquent and unpaid charges or assessments, and any such accelerated installments, together with interest, late charges as determined by the Board, costs and attorneys' fees as above provided, shall be and become a lien or charge against the delinquent Owner's Lot when payable and may be foreclosed by any action brought in the name of the Association. To the extent permitted by statute, the Board may bring an action in Forcible Entry and Detainer to collect any delinquent assessments. In addition, in the event an Owner fails to pay his/her assessments as provided in this Declaration, the Association shall have the right to deny such Owner's access to the Common Areas.

5.9 No Waiver of Liability. No Owner may waive or otherwise escape liability for assessments provided for herein by non-use of the Common Area or abandonment of his Lot. Any claim by an Owner against the Association shall be by separate action and shall not be used as a defense or counterclaim to an action by the Association to collect assessments.

5.10 Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage placed at any time on a Lot by a bona fide lender. Each holder of a first mortgage on a Lot who obtains title or comes into possession of that Lot pursuant to the remedies provided in the mortgage, foreclosure of the mortgage, or by deed (or assignment) in lieu of foreclosure, or any purchaser at a foreclosure sale, take the Lot free of any claims for unpaid assessments or charges which become payable prior to such acquisition of title, possession, or the filing of a suit to foreclose the mortgage.

5.11 Collecting Associations.

- a. Unless and to the extent directed to the contrary by written notice from the Board to either the Homeowners Association or the Townhome Association, or both, the Homeowners Association and the Townhome Association (“Collecting Associations”) shall act as an agent for the Association for the purpose of collecting Assessments at

such times and in such amounts as shall be determined from time to time by the Board. The Collecting Association shall be required to remit funds to the Association if and when funds are actually collected and received by the Collecting Association, provided that if the Collecting Association receives a partial payment of an amount due which is not sufficient to satisfy the amount then due to both the Collecting Association under its own assessment and the Association under Assessments due hereunder, the Collecting Association shall remit to the Association the amount equal to that portion of the amount received, which is equal to the ratio of (I) the amount due to the Association, (II) that total due to both the Association and the Collecting Association multiplied by, (III) the amount actually received by the Collecting Association.

- b. Each Collecting Association shall use its reasonable efforts to collect amounts due to the Association with respect to each Lot administered by it and shall pursue a collection of delinquent amounts in the same manner as it pursues collection of delinquent amounts due to the Collecting Association for its own account (and to this end, the Collecting Association shall be authorized to act as agent for the Association for the purposes of filing a Claim of Lien and/or pursuing any other remedies provided for in this Declaration or at Law). Nothing in this Declaration shall obligate the Collecting Association to in any way make payments to the Association except and to the extent that the Collecting Association has actually received funds from the Owner as provided for in this Section; it being understood that the Collecting Association shall act merely as a collection agent for the Association and shall use its best efforts to collect delinquent accounts, but shall not be in any way liable for payment for any amounts which it is not successful in collecting. The Collecting Association shall be entitled to retain court costs, filing costs, and attorneys' fees collected by it relating to its collection of amounts due to the Association.

5.12 GAAP Accounting. The Association shall use generally accepted accounting principles in fulfilling any accounting obligation under the Common Interest Community Association Act.

ARTICLE 6

EXTERIOR MAINTENANCE BY ASSOCIATION OWNERS

In addition to other rights, powers and duties of the Association under applicable law or as otherwise set forth in this Declaration and in the By-Laws of the Association, the Association shall have the following rights, powers and duties with regard to the Common Area and the cost and expense of which shall be paid for by the Association from assessment funds:

Common Area. The Association shall maintain, repair, replace and manage the Common Area and all facilities, improvements and equipment thereon and pay for all expenses and services in connection therewith, including without limiting the generality of the foregoing: landscape maintenance, comprehensive liability, hazard and other insurance, payment of all taxes, assessments and other liens and encumbrances which are assessed to or charged against the Common Area or other Property owned by the Association, and such other services for the Common Area as the Board deems to be in the best interests of the Association and its Members.

Entry Monument Signs. The Association shall provide for the care, maintenance, replacement and reconstruction of entry signs identifying the Property. In addition, the Association shall be providing for the care, maintenance, replacement and reconstruction of any and all landscaping around such entry monument signs, whether located on the Common Area, a privately owned Lot or, if approved by the Village, within the public right-of-way. All costs incurred as a consequence thereof shall be an expense of the Association. A non-exclusive easement for such purposes is hereby established for the benefit of the Association upon that portion of any Lot upon which such a sign is constructed.

Fence. The Association shall maintain, repair, replace and manage that certain six-foot (6') cyclone or chain link fence to be located along the perimeter of the Property located along the entire eastern border of the Property and the northern border of the Property from Lot 89 through Lot 105, both inclusive. The cost and expense for the maintenance, repair, replacement and management of the said fences shall be an expense of the Association.

ARTICLE 7

RIGHTS OF FIRST MORTGAGEES

7.1 In addition to all other rights of first mortgagees pursuant to this Declaration, and notwithstanding any other provisions herein to the contrary:

Unless at least fifty-one (51%) percent of the first mortgagees (based upon one vote for each first mortgage owned) of individual Lots (hereinafter referred to as “First Mortgagees”) have given their prior written approval, the Association shall not be entitled to:

- a. By act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer any real estate or improvement thereon which are owned, directly or indirectly, by the Association for the benefit of the Lots and the Owners. The granting of easements for public utilities or for other purposes consistent with the intended use of such Property by the Association shall not, for purposes of the foregoing, be deemed to be a transfer.
- b. Change the method of determining the obligations, assessments, dues, reserves for maintenance, repair and replacement of Common Areas, or other charges which may be levied against a Lot and the Owner thereof as provided in Article 5, subject, however, to the provisions in Paragraph 7.5 hereof.
- c. By act or omission, waive, abandon or materially change any scheme or regulations or enforcement thereof pertaining to the architectural design or the exterior appearance of any dwelling or garage on a Lot, the exterior maintenance of any such dwelling or garage, the maintenance of common fences and driveways, if any, or the upkeep of lawns and plantings on the Property.
- d. Fail to maintain fire and extended coverage insurance on the insurable improvements in the Common Area in an amount not less than one hundred percent (100%) of the full insurable replacement cost.
- e. Use hazard insurance proceeds for losses to any improvements to the Common Area for other than the repair, replacement or reconstruction of such improvements.
- f. Change the responsibility for maintenance and repairs of the Common Area and/or lots thereof as provided in Article 6.
- g. Change the interests in the Common Area or rights to their use.
- h. Change the voting rights of any Member of the Association.
- i. Impose any restrictions on a lot Owner's right to sell or transfer his or her Lot.
- j. By act or omission, seek to terminate the legal status of the Association after substantial destruction or condemnation.

7.2 First Mortgagees shall have the right to examine the books and records of the Association at reasonable times upon reasonable notice.

7.3 First Mortgagees may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge against the Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage on the lapse of a policy for the Common Area and First Mortgagees making such payments shall be owed immediate reimbursement therefore from the Association.

7.4 Any First Mortgagee, at its written request, shall be entitled to written notice from the Board of any default by the mortgagor of such Lot in the performance of such mortgagor's obligations hereunder or under the By-laws or rules and regulations of the Association, which is not cured within thirty (30) days.

7.5 First Mortgagees are entitled to timely written notice, if requested in writing, of:

- a. Any condemnation or casualty loss that affects either a material portion of the project or the Lot securing its mortgage;
- b. Any 60-day delinquency in the payment of assessments or charges owed by the Owner of any lot on which it holds the mortgage;
- c. A lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the owners' Association; and
- d. Any proposed action that requires the consent of a specified percentage of eligible mortgage holders.

The request must include the Owners' Association, stating both its name and address and the Lot address of the Lot it has a mortgage on.

This Article 7 may be amended only with the written consent of fifty-one percent (51%) of the First Mortgagees (based upon one vote for each first mortgage owned).

7.6 Notwithstanding anything herein to the contrary requiring approval of any mortgagee or lien holder of record, and if the mortgagee or lien holder of record receives a request to approve or consent to an amendment to the Declaration and/or By-Laws, the mortgagee or lien holder of record is deemed to have approved or consented to the request unless the mortgagee or lien holder of record delivers a negative response to the requesting party within sixty (60) days after the mailing of the request. A request to approve or consent to an amendment to the

Declaration and/or By-Laws that is required to be sent to a mortgage or lien holder of record shall be sent by certified mail.

ARTICLE 8

USE OF TECHNOLOGY

8.1 Any notice required to be sent or received or signature, vote, consent, or approval required to be obtained under any community instrument or any provision of the Common Interest Community Association Act may be accomplished using acceptable technological means. This Section governs the use of technology in implementing the provisions of any community instrument or any provision of the Common Interest Community Association Act concerning notices, signatures, votes, consents, or approvals.

8.2 The Association, Owners, and other persons entitled to occupy a Lot may perform any obligation or exercise any right under any community instrument or any provision of the Common Interest Community Association Act by use of acceptable technological means.

8.3 A signature transmitted by acceptable technological means satisfies any requirement for a signature under any community instrument or any provision of the Common Interest Community Association Act.

8.4 Voting on, consent to, and approval of any matter under any community instrument or any provision of the Common Interest Community Association Act may be accomplished by acceptable technological means, provided that a record is created as evidence thereof and maintained as long as the record would be required to be maintained in nonelectronic form.

8.5 Subject to other provisions of law, no action required or permitted by any community instrument or any provision of the Common Interest Community Association Act need be acknowledged before a notary public if the identity and signature of the signatory can otherwise be authenticated to the satisfaction of the Board of Directors.

8.6 If any person does not provide written authorization to conduct business using acceptable technological means, the Association shall, at its expense, conduct business with the person without the use of electronic transmission or other equivalent technological means.

8.7 This Article does not apply to any notices required under Article IX of the Code of Civil Procedure related to: (i) an action by the Association to collect a common expense; or (ii)

foreclosure proceedings in enforcement of any lien rights under the Common Interest Community Association Act.

ARTICLE 9

GENERAL PROVISIONS

9.1 Enforcement. In addition to all other rights herein granted to the Association, the Association may enforce the provisions of this Declaration, the Articles of Incorporation, By-Laws and rules and regulations of the Association by any proceeding at law or in equity against any person or persons violating or attempting to violate any such provisions. All rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, and failure of the Association to enforce any such provisions shall in no way be deemed a waiver of the right to do so thereafter. All expenses incurred by the Association in connection with any such proceedings, including court costs and attorney's fees, together with interest thereon at the highest interest permitted by law, shall be charged to and assessed against any Owner violating any such provisions and shall be added to and deemed a part of his assessment and constitute a lien on his Lot and be enforceable as provided in Article 5. If any Owner, or his guests, violates any provisions of this Declaration, the Articles of Incorporation, the By-Laws, or the rules and regulations of the Association, the Board may, after affording the Owner an opportunity to be heard, levy a reasonable fine against such Owner and such fine shall be added to and deemed a part of his assessment and constitute a lien on his Lot and be enforceable as provided in Article 6.

9.2 Severability. Invalidation of any provision of this Declaration by judgment or court order shall not affect any other provision hereof, all of which shall remain in full force and effect.

9.3 Title in Land Trust. In the event title to any Lot is conveyed to a title-holding trust under the terms of which all powers of management, operation and control of the Lot remain vested in the trust beneficiary or beneficiaries, then the beneficiary or beneficiaries thereunder from time to time shall be responsible for payment of all obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this Declaration against such Lot. No claim shall be made against any such title-holding trustee personally for payment of any Lien or obligation hereunder created, and the trustee shall not be obligated to sequester funds or trust Property to apply in whole or in part against such lien or obligation. The amount of such lien or obligation shall continue to be a charge or lien upon the Lot

and the beneficiaries of such trust, notwithstanding any transfer of the beneficial interest of any such trust or any transfers of title of such Lot.

9.4 Amendments. The provisions of Article 4 and Paragraph 5.1 and this paragraph may be amended only by an instrument in writing setting forth such amendment signed and acknowledged by all Owners. Subject to Article 7, the remaining provisions of this Declaration may be amended by an instrument in writing setting forth such amendment signed and acknowledged by the voting Members having at least fifty-one (51%) percent of the total votes of the Members, or that is approved at a duly called and held general or special meeting of Members by the affirmative vote, either in person or by proxy, of the voting Members having a majority of the total votes of the Members and containing a certification by an officer of the Association that said instrument was duly approved as aforesaid. No amendment shall be effective until duly recorded in the Office of the Recorder of Deeds of Lake County, Illinois. Amendments to community instruments authorized to be recorded shall be executed and recorded by the President of the Board or such other officer authorized by the Association or the community instruments.

9.5 Headings. All headings set forth herein are intended for convenience only and shall not be given or construed to have any substantive effect on the provisions of this Declaration. The singular shall include the plural wherever the Declaration so requires, and the masculine the feminine and neuter and vice versa.

9.6 Mailing Address. Each Owner of a Lot shall file the correct mailing address of such Owner with the Association and shall notify the Association promptly in writing of any subsequent change of address; provided, however, that if any Owner shall fail to so notify the Association, the mailing address for such Owner shall be the common street address of the Lot owned by such Owner. The Association shall maintain a file of such addresses. A written or printed notice, deposited in the United States mails, postage prepaid, and addressed to any Owner at the last address filed by such Owner with the Association shall be sufficient and proper notice to such Owner shall be deemed delivered on the third (3rd) day after deposit in the United States mails.

9.7 Notices. Any notice required or desired to be given under the provisions of this Declaration to any Owner shall be deemed to have been properly delivered when deposited in the United States mail, postage prepaid, directed to the person who appears as the Owner at his last known address, all as shown on the records of the Association at the time of such mailing.

9.8 Binding Effect. Except as otherwise provided in this Declaration, the easements created by this Declaration shall be of perpetual duration unless cancelled in a written document signed by ninety percent (90%) of the Owners. The covenants and restrictions of this Declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Association or the Owner of any Lot subject to this Declaration, their respective legal representatives, heirs, successors and assigns.

9.9 Architectural Review Committee. The Board may establish an architectural review committee which shall consist of up to five (5) (but not less than three (3) members), all of which shall be Owners and who may or may not be members of the Board. The regular term of office for each member shall be one (1) year, coinciding with the annual meeting of the Association. Any member appointed by the Board may be removed with or without cause by the Board at any time by written notice to such appointee, and a successor or successors appointed to fill such vacancy shall serve the remainder of the term of the former member. The Architectural Review Committee may meet once in each calendar month, as well as upon the call of the chairman, and all meetings shall be held at such places as may be designated by the chairman. A majority of the committee members shall constitute a quorum for the transaction of business, and the affirmative vote of a majority of those present in person at a meeting of the Architectural Review Committee on any matter before it shall constitute the approval of the Committee. The Architectural Review Committee is authorized to retain the services of consulting architects, landscape architects, urban designers, engineers, inspectors, and/or attorneys in order to advise and assist the Architectural Review Committee in performing its functions set forth herein. The Board may adopt rules and regulations governing the procedure utilized by the Architectural Review Committee. Except as otherwise provided herein, no structure, landscaping or other improvement shall be commenced or allowed on any portion of the Property unless it complies with the provisions of this Declaration and approved by the Board or Architectural Review Committee. All structures on the Property shall be of new construction.

9.10 Building Codes. All structures within the Property shall be constructed in accordance with applicable governmental building codes and zoning ordinances of the Village. If and to the extent there are any conflicts between this Declaration and the provisions of any ordinances, codes, rules and regulations of the Village, such conflicts shall be resolved by the

application of the more stringent provision as between this Declaration and such ordinance, code, rules and regulations of the Village.

9.11 Fertilizers and Hazardous Materials. To minimize the costs of maintaining the stormwater management system, to avoid pollution, and to protect downstream water quality, the application of lawn chemicals, including pesticides, shall be held to a minimum. Owners will be held responsible for the application of lawn care chemicals to their Lot. Lawn and garden fertilizers and soil amendments should be applied in accordance with recommendations developed through soil tests to avoid over-application. All fertilizers, amendments, and pesticides should be applied at or below recommended rates. Granulated slow-release fertilizers are recommended; the use of liquid fertilizers is discouraged because they are more soluble and more likely to damage the stormwater management system. Special care must be taken when using pesticides which are toxic to fish and aquatic organisms. In the event a stormwater facility is being damaged by nutrient or chemical loading, the Association shall have the right, without notice, to enter upon any Lot tributary to that facility to obtain a soil sample for testing. When tests demonstrate that lawn chemicals have been applied at excessive rates, the Association may fine the Owner of each such Lot, which may cover the costs of the soil testing and repairing the damage to the stormwater management facility. No Owner shall maintain or place, nor cause or permit to maintain or place, any hazardous substances upon the Property as defined by Section 3.14 of the Environmental Protection Act (415 ILCS 5/3.14). The Association shall have the right to cause the removal of any such hazardous substances at the sole cost and expense of the offending Owner.

9.12 Landscape Maintenance. To preserve the aesthetic appearance of the Property, no landscaping, grading, excavation or filling of any nature whatsoever shall be implemented or installed by any Owner until the plans, therefore, have been submitted to and approved in writing by the Board or the Architectural Review Committee. No hedge or shrubbery planting or tree which obstructs site lines of streets and roadways within the Property shall be placed or permitted to remain on any Lot, where such hedge, shrubbery or tree interferes with traffic site lines, including site lines at the intersection of a driveway and a road or street within the Property. Except as otherwise provided in this Declaration, each Owner shall regularly mow and trim all areas within his Lot covered with ground cover and shall keep all areas within his Lot designed or intended for the proper drainage or detention for water, including soil lines and ditches unobstructed and shall mow and maintain such areas so as to keep such areas in good and functional condition. No trees,

plantings, shrubbery, fencing, patio structure, landscaping treatment or other obstructions shall be planted, placed or allowed to remain in any such areas, and no Owner shall alter the rate or direction of flow of water from any Lot by impounding water, changing rate, blocking or regarding or redirecting soils, ditches or drainage areas or otherwise.

9.13 Fences. No fences shall be located in any areas designated on the Plat of Subdivision as a “landscape easement area”. No fence shall be located in front of the line formed by the front of any improvement located upon a Lot, as extended to the side Lot lines. On corner Lots, side yard fences cannot extend beyond the building line setback. Fences on Lots that are adjacent to or have an exposure to Deercrest Drive and/or Route 173 are required to be identical in design and of the style approved by the Architectural Control Committee. Fences on Lots that are adjacent to or have an exposure to Sprenger Park or other open space are required to be identical in design and of the style approved by the Architectural Control Committee. Fences on Lots that border Mary's Park must have the identical fence that is installed at Mary's Park and are not subject to the requirement along Deercrest Drive. All fences constructed upon the Property shall be in accordance with Village ordinances, shall not be more than four feet (4') high and shall be approved by the Board or the Architectural Review Committee.

9.14 Basketball Hoops. Basketball hoops must be installed in accordance with the then-current rules and regulations of the Association and approved by the Board or the Architectural Review Committee.

9.15 Wetlands and Buffer Areas. Certain portions of the Common Area have been identified by the Army Corps of Engineers as wetland areas. In addition, the Common Area includes land surrounding these wetland areas called buffer areas. The use of these wetlands and buffer areas is subject to strict compliance with the provisions of this Declaration, the By-laws and the Rules and Regulations of the Association and any guidelines or mandates promulgated by the Army Corps of Engineers or any other governmental agency. It is the responsibility of the Association to maintain and enforce any such provisions and/or mandates. It is also the responsibility of the Association to maintain and enforce the Natural Areas Management plan attached to the Original Declaration, as amended from time to time, as Exhibit “F” thereto.

9.16 Leasing of Lots. The leasing or rental of any Lot which was not improved with a dwelling on or before July 29, 2020 is prohibited. Any Lot which is improved with a dwelling as of July 29, 2020 may be leased, subject to the following provisions:

a. The term “leasing of Lots” includes a transaction wherein the title holder of a Lot, who does not reside in the dwelling thereon, permits its occupancy by persons not on title regardless of whether a formal written lease exists or if money or any other form of consideration is paid therefore; provided that if the Owner is a corporation, partnership or other business entity, such Owner may allow a shareholder, partner or director holding at least 25% interest or shares in the entity to reside in the dwelling located on the Lot without being subject to the restrictions contained in this Section. Additionally, the term “leasing of Lots” shall include any transaction wherein possession of a Lot is provided prior to transfer of title. In no event may less than the entire Lot be leased. An Owner shall be deemed to “reside” in a Lot if he/she has slept in the dwelling located on the Lot for the majority of the days of the previous six months.

b. Any and all leases pursuant to this Section shall be for a minimum of twelve (12) months. Additionally, no Owner shall lease or rent less than the entire Lot. Without exception, no Lot shall be used for hotel or transient purposes nor shall any Lot be subleased. No Owner shall rent or lease individual rooms within dwelling located on their Lot. This shall include nightly, weekly or monthly rentals of Lots on websites such as, but not limited to, Airbnb and VRBO.

c. To meet special situations and to avoid undue hardship or practical difficulties, the Board may, but is not required to, grant permission to an Owner to lease his Lot to a specified lessee for a period of twelve (12) months on such reasonable terms as the Board may establish.

(i) Such permission may be granted by the Board only upon written application by the Owner to the Board. The Board shall respond to each application in writing within thirty (30) days of the submission thereof. All requests for extension of the original lease must also be submitted to the Board in the same manner as set forth for the original application.

(ii) The Board has sole and complete discretion to approve or disapprove any Owner’s application for a lease or extension of a lease. Only those owners who are and have historically remained in good standing may be eligible

for a hardship waiver exception as provided in this Section (c). The Board's decision shall be final and binding.

(iii) Any lease approved by the Board shall be subject to the Declaration, By-Laws and rules and regulations governing the Association.

(iv) Any request by an Owner for an extension of the hardship waiver shall comply with the same requirements as dictated above.

d. The Board of the Association shall have the right to lease any Association owned Lots or any Lot which the Association has possession, pursuant to any court order, and said Lots shall not be subject to the restrictions contained in this Section.

e. This Section shall not apply to various types of domestic assistance in which the Owner also resides in the Lot, including but not limited to, medical care assistants, live-in maids, and nannies.

f. Any Lot being leased out in violation of this Section or any Owner found to be in violation of the Rules and Regulations adopted by the Board may be subject to a flat or daily fine to be determined by the Board upon notice and an opportunity to be heard.

g. In addition to the authority to levy fines against the Owner for violation of this Section or any other provision of the Declaration, By-Laws or Rules and Regulations, the Board shall have all rights and remedies, including but not limited to the right to maintain an action for possession against the Owner and/or tenant, under 735 ILCS 5/9 et, seq., an action for injunctive and other equitable relief, or an action at law for damages.

h. Any action brought on behalf of the Association and/or the Board to enforce this Section shall subject the Owner to the payment of all costs and attorneys' fees at the time they are incurred by the Association.

i. All unpaid charges as a result of the foregoing shall be deemed to be a lien against the Lot and collectible as any other unpaid regular or special assessment, including late fees and interest on the unpaid balance.

j. The provisions of the Common Interest Community Association Act, the Declaration, By-Laws, other community instruments, and rules and regulations that relate

to the use of an individual Lot or the Common Areas shall be applicable to any person leasing a Lot and shall be deemed to be incorporated in any lease. The Owner leasing the Lot shall deliver a copy of the signed lease to the Association or if the lease is oral, a memorandum of the lease, not later than the date of occupancy or ten (10) days after the lease is signed, whichever occurs first.

9.17 Flags. Notwithstanding any provision in the Declaration, By-Laws, community instruments, rules, regulations, or agreements or other instruments of the Association or the Board's construction of any of those instruments, the Board may not prohibit the display of the American flag or a military flag, or both, on or within the limited common areas (if any) and facilities of an Owner or on the immediately adjacent exterior of the building in which the Lot of an Owner is located. The Board may adopt reasonable rules and regulations, consistent with Sections 4 through 10 of Chapter 1 of Title 4 of the United States Code, regarding the placement and manner of display of the American flag and the Board may adopt reasonable rules and regulations regarding the placement and manner of display of a military flag. The Board may not prohibit the installation of a flagpole for the display of the American flag or a military flag, or both, on or within the limited common areas (if any) and facilities of an Owner or on the immediately adjacent exterior of the building in which the Lot of an Owner is located, but the Board may adopt reasonable rules and regulations regarding the location and size of flagpoles.

As used in this provision:

"American flag" means the flag of the United States (as defined in Section 1 of Chapter 1 of Title 4 of the United States Code and the Executive Orders entered in connection with that Section) made of fabric, cloth, or paper displayed from a staff or flagpole or in a window, but "American flag" does not include a depiction or emblem of the American flag made of lights, paint, roofing, siding, paving materials, flora, or balloons, or any other similar building, landscaping, or decorative component.

"Military flag" means a flag of any branch of the United States armed forces or the Illinois National Guard made of fabric, cloth, or paper displayed from a staff or flagpole or in a window, but "military flag" does not include a depiction or emblem of a military flag made of lights, paint, roofing, siding, paving materials, flora, or balloons, or any other similar building, landscaping, or decorative component.

ARTICLE 10

ILLINOIS DEPARTMENT OF NATURAL RESOURCES NATURAL AREA

The Property immediately adjacent to the Property to the northwest and north is owned by the Illinois Department of Natural Resources (“IDNR”) and is commonly known as the Redwing Slough-Deer Lake State Natural Area (“Natural Area”). The Natural Area is governed by the IDNR in accordance with the Illinois Endangered Species Protection Act (520 ILCS 10/11), Illinois Natural Areas Preservation Act (525 ILCS 30/17) and Title 17 of the Illinois Administrative Code, Part 1075. Access to the Natural Areas is governed by the IDNR and is legally permissible only by a permit issued by IDNR as regulated by its policies. Any unauthorized access to the Natural Area constitutes an act of criminal trespass, and violators are subject to arrest and, upon conviction, such finds as established by Law. Based upon the fact that the Natural Area is the home of a variety of wildlife and vegetation protected by the above-referenced statutory sections, the IDNR is understandably concerned about the increased potential for unauthorized use of the Natural Area by future residents within the Association. All owners, family members, tenants, guests, invitees, servants and agents shall refrain from any trespass onto the Natural Area adjacent to the Property and the designated wetland areas located on the Property which would be in violation of any law or governmental code or regulation governing the Natural Area and the designated wetland areas included within the Property.

ARTICLE 11

WETLAND CONSERVANCY AREAS

All areas designated on the Plat of Subdivision as “wetland conservancy areas” located upon the Lots or the Common Areas within the Property shall be maintained in their natural, undisturbed condition, and no man-made structures of any kind shall be constructed thereon. In addition, no grading shall be permitted on any conservancy areas except according to the final landscape plans for the Property and in accordance with the appropriate Village regulations. All natural vegetation located within the wetland conservancy areas shall be preserved and maintained and should not be mowed, cultivated, sprayed or in any way disturbed without following the required procedures of the Village.

AMENDED AND RESATED BY-LAWS OF THE
NEUHAVEN MASTER ASSOCIATION

ARTICLE I

NAME AND LOCATION

The name of the not-for-profit corporation is the NeuHaven Master Association ("Association"). The principal office of the Association shall be located at Antioch, Illinois, but meetings of members and directors may be held at such places within the State of Illinois, County of Lake as may be designated by the Board of Directors ("Board").

ARTICLE II

BOARD OF MANAGERS

Section 1. Board of Managers (Board of Directors).

(a) The Board of Directors, also known as the Board of Managers, shall consist of five (5) persons who shall be appointed or elected in the manner herein provided, or such greater number as may be determined by Board resolution. The Board shall consist of five (5) members, each of whom shall be an Owner and a Voting Member (as defined herein); provided that there shall be positions on the Board for two (2) persons who are members of the Homeowners Association and two (2) persons who are members of the Townhome Association. The remaining member of the Board shall either be from the Homeowners Association or the Townhome Association. Each member of the Board shall be a Lot Owner and shall reside on the Property, provided, however, that in the event a Lot Owner is a corporation, partnership, trust or other legal entity other than a natural person or persons, then any officer, director or other designated agent of such corporation, partner of such partnership, beneficiary or other designated agent of such trust or manager of such other legal entity, shall be eligible to serve as a member of the Board, provided such person must reside on the Property. If there are multiple Owners of a single Lot, only one of the multiple Owners shall be eligible to serve as a member of the Board at any one time, unless the Lot Owner owns another Lot independently.

(b) Elections shall be held in accordance with the community instruments, provided that an election shall be held no less frequently than once every twenty-four (24) months, for the Board of Directors from among the membership of the Association. In all elections for members of the Board, each Voting Member shall be entitled to cumulate his votes in the manner provided by law and the candidates receiving the highest number of votes with respect to the number of offices to be filled shall be deemed to be elected. The three (3) persons receiving the highest number of votes at the first annual meeting were elected to the Board for a term of two (2) years

and the persons receiving the next highest number of votes were elected to the Board for a term of one (1) year. Upon the expiration of the terms of office of the Board members so elected at the first annual meeting and thereafter, successors were and shall hereafter be elected for a term of two (2) years each, provided, however, Board members may succeed themselves. Members of the Board shall receive no compensation for their services, unless expressly authorized by the Board with the approval of Members having two-thirds (2/3) of the total votes. If there is a vacancy on the Board, the remaining members of the Board may fill the vacancy by a two-thirds (2/3) vote of the remaining Board members until the next annual meeting of the membership or until Members holding twenty percent (20%) of the votes of the Association request a meeting of the Members to fill the vacancy for the balance of the term. A meeting of the Members shall be called for purposes of filling a vacancy on the Board no later than thirty (30) days following the filing of a petition signed by Members holding twenty percent (20%) of the votes of the Association requesting such a meeting. Except as otherwise provided in the Declaration, the Property shall be managed by the Board and the Board shall act by majority vote of those present (at its meetings at which a quorum exists). A majority of the total number of the members of the Board shall constitute a quorum. Meetings of the Board may be called, held and conducted in accordance with such resolutions as the Board may from time to time adopt.

(c) Upon proof of purchase, the purchaser of a Lot from a seller other than the developer pursuant to an installment contract for purchase shall, during such times as he or she resides in the Lot, be counted toward a quorum for purposes of election of members of the Board at any meeting of the membership called for purposes of electing members of the Board, and shall have the right to vote for the members of the Board of the Association, and to be elected to and serve on the Board, unless the seller expressly retains in writing any or all of such rights.

(d) If no election is held to elect Board members within the time period specified in the By-Laws, or within a reasonable amount of time thereafter not to exceed ninety (90) days, then twenty percent (20%) of the Members may bring an action to compel compliance with the election requirements specified in the By-Laws or operating agreement. If the court finds that an election was not held to elect members of the Board within the required period due to the bad faith acts or omissions of the Board of Directors, the Members shall be entitled to recover their reasonable attorney's fees and costs from the Association. If the relevant notice requirements have been met and an election is not held solely due to a lack of a quorum, then this provision does not apply.

Section 2. Electronic Voting in Elections. The Association may, upon adoption of the appropriate rules by the Board, conduct elections by electronic or acceptable technological means. If the Board adopts such rules, Members may not vote by proxy in Board elections. Instructions regarding the use of electronic means or acceptable technological means for voting shall be distributed to all Members not less than ten (10) and not more than thirty (30) days before the election meeting. The instruction notice must include the names of all candidates who have given the Board or its authorized agent timely written notice of their candidacy and must give the person voting through electronic or acceptable technological means the opportunity to cast votes for candidates whose names do not appear on the ballot. The Board rules shall provide and the instructions provided to the Member shall state that a Member who submits a vote using electronic

or acceptable technological means may request and cast a ballot in person at the election meeting, and thereby void any vote previously submitted by that Member.

Section 3. Officers. The Board shall elect from among its members a President who shall preside over both its meetings and those of the Voting Members, and who shall be the chief executive officer of the Board and the Association and who shall execute amendments to the Declaration and By-Laws; a Secretary who shall keep the minutes of all meetings of the Board and of the Voting Members, who shall mail and receive all notices, and who shall, in general, perform all the duties incident to the office of Secretary; a Treasurer who shall keep the financial records and books of account; and such additional officers as the Board shall see fit to elect. Provided, however, no officer shall be elected for a term of more than two (2) years. However, any officer may succeed himself in any office.

Section 4. Removal. Any Board member may be removed from office by affirmative vote of the Voting Members having at least two-thirds (2/3) of the total votes, at any special meeting called for that purpose. A successor to fill the unexpired term of a Board member removed may be elected by the Voting Members at the same meeting or any subsequent annual meeting or special meeting called for that purpose.

Section 5. Meetings. The Board shall meet at least four (4) times annually, on the first Monday of February, May, August and November and at such other times as the Board deems necessary. The Board must reserve a portion of the meeting of the Board for comments by Members; provided, however, the duration and meeting order for the Member comment period is within the sole discretion of the Board. Special meetings of the Board may be called by the President, by twenty-five percent (25%) of the members of the Board, or by any other method that is prescribed in the community instruments. Except to the extent otherwise provided by the Common Interest Community Association Act, the Board shall give the Members notice of all Board meetings at least forty-eight (48) hours prior to the meeting by sending notice by using a prescribed delivery method or by posting copies of notices of meetings in entranceways, elevators, or other conspicuous places in the common areas of the common interest community at least forty-eight (48) hours prior to the meeting except where there is no common entranceway for seven (7) or more Lots, the Board may designate one or more locations in the proximity of these Units where the notices of meetings shall be posted. The Board shall give Members notice of any Board meeting, through a prescribed delivery method, concerning the adoption of (i) the proposed annual budget, (ii) regular assessments, or (iii) a separate or special assessment within ten (10) to sixty (60) days prior to the meeting, unless otherwise provided in Section 1-45(a) or any other provision of the Common Interest Community Association Act. Meetings of the Board shall be open to any Lot Owner, except that the Board may close any portion of a noticed meeting or meet separately from a noticed meeting: (i) to discuss litigation when an action against or on behalf of the Association has been filed and is pending in a court or administrative tribunal, or when the Association finds that such an action is probable or imminent, (ii) to discuss third party contracts or information regarding appointment, employment, engagement, or dismissal of an employee, independent contractor, agent, or other provider of goods and services, (iii) to interview a potential employee, independent contractor, agent, or other provider of goods and services, (iv) to discuss

violations of rules and regulations of the Association, (v) to discuss a Member's or Lot Owner's unpaid share of common expenses, or (vi) to consult with the association's legal counsel. Any vote on these matters shall be taken at a meeting or portion thereof open to any Member.

Section 6. General Powers of the Board.
